

Environmental Policy

Bidvest Prestige conducts profitable business in a responsible and accountable manner.

We are committed to:

- Continually improving our environmental performance.
- Developing and maintaining an environmental management system with objectives and targets to minimize adverse environmental impacts.
- Complying with all applicable environmental laws, regulations and other requirements.
- Considering pollution prevention in business decisions.
- Responsible waste management through reduce, reuse and recycle.
- Ensuring that energy and water are used responsibly and conserved.
- Sustaining our environment.

This policy will serve as the framework for setting and reviewing Bidvest Prestige's environmental objectives and targets.
